

Introducing NAAM'S

ABCs of AUTOMOBILES

As part of our social media makeover, we want to promote NAAM member museums in a fun and engaging way. Beginning in June, we will be posting a vehicle every Monday beginning with the letter A, then B, and then C...you get the idea. We want to share your cars and their special stories while creating interest from our audience to want to see more of your museum. Who doesn't want free advertisement? All you need to do is fill out the form below. Submit as many as you like. We will alternate locations so every museum that submits a car is represented. Once we hit the end of the year and the end of the alphabet, we will start all over again so if your "A" vehicle doesn't make the first cut, don't fret, your time will come! We look forward to receiving your entries!
